

## Installing Read & Write onto personal devices

It is now possible for students at Sexey's to install Read and Write onto their own devices, including Windows based PCs/Laptops.

<https://www.texthelp.com/en-gb/products/read-write/#>

Follow the instructions to install the programme. Once has installed you will need to sign in.

## Signing into Read&Write with Microsoft

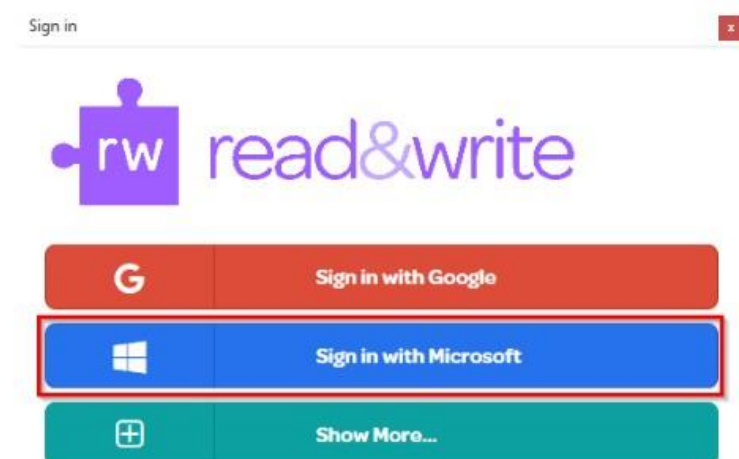

Last Modified on 08/02/2018 10:15 am GMT

You need to **sign in** to Read&Write to access the features. To sign in to Read&Write:-

1 Click the icon on the top of your Read&Write toolbar

2 Click on the **Sign in with Microsoft** button

If there is an Office365 Option select that - Enter your school username/email to licence the software
