SEXEY'S SCHOOL

Headteacher: Mrs Helen Cullen BSc (Hons)

*Working together with a determination
to be exceptional in all that we do*

25 January 2022

Dear Parents

Please find below links to two areas on our website that I think you will find helpful when discussing with your sons and daughters what they have learnt at school each day.

The first link provides you with the curriculum maps so you can see what topics are taught within each subject and when.

<https://www.sexey.somerset.sch.uk/learning/lower-school-curriculum/curriculum-maps-linking-to-core-values/>

[Curriculum maps linking to core values - Sexey's School](https://www.sexey.somerset.sch.uk/learning/lower-school-curriculum/curriculum-maps-linking-to-core-values/)

These documents outline how Sexey's School links the curriculum to the School's seven Christian core values, detailed per subject
www.sexey.somerset.sch.uk

The second link provides you with information on the assessment criteria used in all Key Stage 3 subjects, this is what students knowledge and skills are assessed against. This will help inform conversations with your sons and daughters about how they can improve their work and make even more progress in their learning. For Key Stages 4 and 5 we use the exam board specifications and assessment descriptors.

<https://www.sexey.somerset.sch.uk/learning/curriculum-assessment/>

[Sexeys - Curriculum Assessment - sexeys.somerset.sch.uk](https://www.sexey.somerset.sch.uk/learning/curriculum-assessment/)

Key Stage 3 Assessments Art & Photography Drama English Reading Spoken Language Writing French Geography History Information & Communications Technology (ICT) and Computer Science Mathematics Year 7 Year 8 Year...

www.sexey.somerset.sch.uk

I hope both of these links will help you to feel better informed about what your son or daughter is learning in school and how we assess them. Should you have any questions please do not hesitate to contact your son or daughter's class teacher or Head of Faculty or Mr Dalzell.
